NOTICE OF PUBLIC MEETINGS FOR XCEL ENERGY MINNESOTA CUSTOMERS

Xcel Energy submitted its 2024-2040 Upper Midwest Integrated Resource Plan (2024 IRP) to the Minnesota Public Utilities Commission (MPUC) on February 1, 2024, and is requesting MPUC approval. The MPUC may either approve, deny, or modify the 2024 IRP as submitted based upon their review and public input. The MPUC has indicated they will hold hearings on the IRP by February 1, 2025. A video presentation providing an overview of our IRP can be found on our website: xcelenergy.com/UpperMidwestEnergyPlan

PUBLIC MEETINGS

Administrative Law Judge Jessica A. Palmer-Denig will hold six in-person public meetings and two virtual public meetings to provide the public with an opportunity to comment on the 2024 IRP. Any Xcel Energy customer or other person may attend and provide comments at the meetings. You do not need to be represented by an attorney to do so. The meetings will begin at their scheduled time and adjourn after all attendees present have had an opportunity to comment or ask questions. MPUC and Xcel Energy staff will be on-site one hour prior to the in-person meetings, to answer questions and share information about the 2024 IRP. At the start of the meetings, MPUC Staff will present an overview of the regulatory process. Following the MPUC’s presentation, Xcel Energy will present an overview of the 2024 IRP.
